Points Value Summary

RCI[®]

Exchange your Points to take
advantage of *RCI*[®] Weeks Exchange
Vacations and *RCI* Points Partner Programs

July 2008

Welcome

What's in these pages can bring your next vacation closer. Aren't you ready for one right now?

This is the place to match your Points with possibilities. If you believe, as we do, that planning a vacation should be part of the pleasure, we invite you to explore this 2008 **RCI® Points Partner** values listing now. It's designed to tell you at a glance what you want to know about exchanging your Points for **RCI Weeks** vacations and **RCI Points Partner** offerings.

Count your Points. Then count all the ways you can exchange them. The first section of this booklet will help you find out how many Points you need to make reservations at the **RCI Weeks** affiliated resorts of your choice*. Compare dozens of options, and see which suits you best.†

See all the ways your Points can add up to a great vacation. The second section of this booklet will acquaint you with the **RCI Points Partner Program** - a whole collection of vacation escapes, experiences and explorations. You can exchange your Points to book hotels, airfare, cruises, rental cars and more – from some of the best in the business. You owe it to yourself to check these out, too.†

When you're ready to book your next vacation – or even if you just need extra help – simply call an RCI® Guide at 1-877-968-7476.

RCI® Points Partners Program

Flexibility to suit your needs

- Book air tickets, car rentals and hotel stays with as little as three days notice.
- No Saturday night stay requirements, or round-trip requirements for airfare.

How does it work?

Your Points are converted to discount amounts – which are applied toward the cost of airfare, hotel stays, rental cars, and much more. Use the chart below to see how your Points would be converted into dollars-off savings.

Available discounts are applied based on the cost of the item, and are assigned at the level closest to the cost, without going over.

For example, say you want to purchase round-trip airfare from New York City to Vancouver, valued at \$625. You must have at least 70,000 Points to exchange for \$600 in savings on the ticket price. So, rather than purchasing the ticket for \$625, simply exchange 70,000 Points and pay the balance of \$25 (plus applicable transaction fees).

Note: Lower discount amounts may not be applied. However, keep in mind there are lots of program opportunities at all discount levels.
